March 10 1950 DEPUTY UNDER SECRETARY OF STATE

MR. RUSK

G - Mr. Rusk

MAR 10 1950

Subject: NSCID 9 (Revised) DEPARTMENT OF STATE

I think you need not bother to read the attached NSCID 9 Revised - "Communications Intelligence" which establishes under the National Security Council the "U.S. Communications Intelligence Board" composed of "not to exceed two members from the Departments of State, Army, Navy and Air and the CIA and FBI." "Only those departments and agencies designated by the President are authorized to engage in communications intelligence activities."

You are, of course, well aware of the field of "communications intelligence".
